Cabinet Office
Government of Japan

Moderator: Mr. SHINDO Kazumi,
Director for Atomic Energy, Secretariat of Science, Technology and Innovation Policy
Cabinet Office, Government of Japan

<Opening and Keynote Speeches>

14:00-14:05 Greeting, from **Dr. Mitsuru Uesaka**
Chairman, Japan Atomic Energy Commission (JAEC)

14:05-14:20 Keynote Speech : **Dr. Frederik Giesel**
Chair and Director of Nuclear Medicine, University Hospital Düsseldorf, Germany

14:20-14:35 Presentation: **Prof. Takashi Nakano**, Director, Research Center for Nuclear Physics, Osaka University, Japan | **Prof. Koichi Fukase**, Dean, Graduate School of Science, Osaka University, Japan | **Mr. Toru Ishizuka**, Director of PET Cyclotron System, Medical & Advanced Equipment Unit, Industrial Equipment Division, Sumitomo Heavy Industries, Ltd., Japan

<Presentation from government officials and international framework officers>

14:35-14:45 **Dr. Ethan Balkin**
Federal Program Manager for Radioisotope Production R&D,
Office of Isotope R&D and Production, DOE Isotope Program,
US Department of Energy Office of Science, USA

14:45-14:55 **Dr. Jean-Françoise GESTIN**
Head of Chemistry and Radiochemistry,
Nuclear Oncology Research Team,
Angers Cancer and Immunology Research Center, Nantes University, France

<Presentation from Researchers>

14:55-15:05 **Brenda Sandmaier, M.D.**
Professor, Fred Hutchinson Cancer Center, USA

15:05-15:15 **Prof. Kohshin Washiyama**
Advanced Clinical Research Center, Fukushima Global Medical Science Center,
Fukushima Medical University, Japan

15:15-15:25 **Dr. Eduardo Savio**
Head of Radiopharmacy Department, R&D Biomedical and Pharmaceutical Chemistry,
Centro Uruguayo de Imagenología Molecular(CUDIM), Uruguay

<General Comment and Closing>

15:25-15:30 Speech from IAEA management : **Ms. Melissa DENECKE**,
Director, Division of Physical and Chemical Sciences, IAEA

15:30-15:35 Closing remarks by **Dr. Mitsuru Uesaka**, JAEC
